

dispositivos

```
graph TD; subgraph dispositivos; rato -- 1 --> teclado; end
```

The diagram consists of a light blue rounded rectangle with a dashed border. Inside, at the top, is the word 'dispositivos'. Below it is a white rectangle with a black border containing the word 'rato'. A blue arrow points from the bottom of the 'rato' box to a blue rectangle with a black border containing the word 'teclado'. A small blue number '1' is positioned to the right of the arrow's shaft.
